

Hello again!

We are very excited about the Sip & Savor Lounge, where all of you will be vending next weekend! This will include all 9 prepared food vendors, and a tented area with tables and chairs for shoppers to enjoy their meals and drinks! Please see the attached map for placement.

REMINDER TO ANY VENDORS SETTING UP IN A 10x10 TENT: Tent weights are required at all of our outdoor shows--a minimum of 30 lbs. per leg.

You will all be loading in directly to the South Lot (see attached map, Loading Zone 1).

The 30x20 tent should already be set up when you arrive, so please text or call Heather at the number below when you are arriving and she will come out back to help place you for maximum visibility vis-a-vis the tent, and also in a way that will comfortably allow for any lines that might form.

Heather Peek: (360) 791-1723

Thanks again and see you next Saturday!
- Lindsey, Kristen & Heather
