

Hello again!

On Saturday morning you'll be loading into the Sip & Savor Lounge, in the back lot of the venue. This area will include all 5 of the food trucks & booths, our outdoor Sprouts vendors, a full bar, and a tented area with tables and chairs for shoppers to enjoy their meals and drinks! There will also be pub tables set up with some tower heaters in case it's chilly.

REMINDER TO ANY VENDORS SETTING UP IN A 10x10 TENT: Tent weights are required at all of our outdoor shows--a minimum of 30 lbs. per leg.

You will get to load in directly through this back lot, as indicated on the SSL Load-In map, and Sip & Savor Site Maps, attached. Follow the arrow down Second Ave. and take a right, through the lot entrance. The "Lounge" (30x20 tent) will already be set up when you arrive, so **please text or call Heather at the number below as you are arriving** and she will come out back to help place you for maximum visibility vis-a-vis the tent, and also in a way that will comfortably allow for any customer lines that might form.

Heather Peek: (360) 791-1723

Ticket registrations are steadily climbing! We are currently at 1,500 though we will see a huge influx of registrations in the final 48 hours before the show. Last year our tickets were a bit lower at this point than they are right now, but we still saw about 4,600 registrations by day-of-show.

That is to say, please be sure to prepare enough food to last until 5pm--we don't want to see anyone sell out partway through the day!

Thanks again, and see you next Saturday!

- Lindsey, Kristen & Heather
