

Gobble Up SLU // Promo Materials & Raffle Prizes

Hello, Gobble Up SLU Vendors!
Some more news to share with you this week...

POSTERS & POSTCARDS

Do you have a storefront, retail establishment, shared kitchen, or are you participating in any farmers' markets this season? In the past, many vendors have requested posters and postcards that they can hand out to their customers, add to local online orders, or pass out in other ways around town. If you'd like a stack or a few posters to put up in your window, reply to this email and **let us know how many you'd like, and the best mailing address to send them to**. We really appreciate the help in building the energy around the show as it approaches next month!

RAFFLE PRIZES

At some of our shows, we offer free raffle prizes to our shoppers, as a fun addition to the show and a way to get them excited about the market. **If you'd like to donate an item to be raffled individually OR bundled with other items, please reply to this email and let us know**. We'll highlight all raffle prizes and tag you on our Instagram, and will be hyping these up at the Info Booth during the show. Our Info Booth was a very lively hub last year, fielding questions and sharing in the excitement from new shoppers, and we expect the same this year. We find that these raffles can be not only a great marketing opportunity for your business, but that they encourage attendees to come, stay, and explore all of your amazing booths!

Thanks!
- Lindsey, Kristen & Heather
